

FOR THE INSTRUCTION OF FOTERS.

THE TWO NEWSPAPERS CHOSEN FOR THE ELECT
TION ADVERTISING—CLERKS APPOINTED.

The Police Commissioners yesterday designated the Tribune and "The Daily News" as the two newspapers to publish in Section No. 1,292 of the election law. For a number of years the Commissioners have designated the same newspapers, the election notices being intended for the instruction of the largest possible number of both Republican and Democratic voters in the city. The boundaries of all of the election districts in the city, arranged in numerical order by Assembly districts, and the places where citizens are to register and vote in the several districts will be published on October 9, the day before the first day of registration this year, and also on the four days of registration—October 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, and on election day. A table showing the vote in the city will be published after the official canvass has been completed.

The poll clerks and ballot clerks who are to serve on election day were appointed by the Commissioners yesterday. In each of the 114 election districts of the city there are to be one Republican poll clerk, one Republican ballot clerk, one Democratic poll clerk and one Democratic ballot clerk. The list of Republican clerks was presented by Commissioner Martin yesterday, while Commissioner Martin moved the appointment of the Democratic clerks. The inspectors of election in all of the districts were given into office and instructed in their duties by General Reddenough, the Chief of the Bureau of Elections last evening in the courtroom at Police Headquarters. The Republican inspectors will qualify at the same place this evening.

FRANCIS H. WEEKS TO BE EXTRADITED.

Washington, Sept. 26.—The Government of Costa Rica has agreed to extradite Francis H. Weeks, the defrauder, who is now in San Jose, and unless the legal action to this course which Weeks' lawyer will take is successful, the fugitive will be brought back to the United States. A dispatch was received at the State Department this morning from the United States Consul at San Jose stating that the Government would be glad to grant paper of extradition. No steps will be taken in this matter, however, until the arrival of San Jose of Mr. Baker, the United States Minister, who is now due at the Costa Rican capital.
